Good morning Faith Fellowship,

My sincere condolences to all you 49er fans. I actually found myself pulling for them. Mainly because my daughter is a 49er fan (whose child is she anyway?) and I was watching the game with her. It was a tough loss, and I know how you feel. That's why the Bible says not to put too much stock in man; they almost always let us down.

Anyway - on to bigger, better and more important things, like today's New Member meeting, right after 3rd service here in the sanctuary. Can't wait to meet all of you who want to become members of our church, or maybe some who just want to learn more about Faith Fellowship. Looking forward to spending about 30-40 minutes with you.

Then, couples (married or seriously dating), don't forget about our Valentine couples night. Dress nicely and join us on Friday, February 10th, at 6:45pm. The cost is only \$10 per person, which includes food, fun, fellowship, prizes and free counseling for all! Whooo hooo....

Also, on Saturday, February 25th we have two events, one in the morning and one in the afternoon. The first one is the ISI men's conference in Danville. Guys, you don't want to miss out on this one. Powerful! Continental breakfast and lunch included. Sign up now and get the early bird discount. It begins at 8:30 am.

The afternoon event begins at 4:00 pm. It's our annual "Black History Month Celebration". Always a great time!

I love you all,

Pastor Gary
